## **2019-2020 Board of Education Priorities**

### **Board Priority 1:**

Increase the achievement of every child through a continued focus on innovative practices, student well-being, and equity in program design and implementation.

### **Board Priority 2:**

Ensure equitable access to future ready learning environments by further engaging stakeholders in the continued implementation of the Comprehensive Facility Master Plan by identifying preK-12 facility projects in anticipation of an April 2020 “no tax increase” bond issue.

### **Board Priority 3:**

Elevate communications by continuing to foster confidence and trust in our school district through increased involvement opportunities, interconnected public relations and engagement.
