

R-7 Citizens' Advisory Committee provides valuable feedback for no-tax-increase bond issue

Lee's Summit R-7 Citizens' Advisory Committee provided feedback for preliminary plans for the district's successful April 2015 no-tax-increase bond issue. The CAC discussed the proposed bond issues at meetings held during fall and winter of 2014.

The \$40 million bond issue was placed on the April 2015 ballot by the R-7 Board of Education. Almost 80 percent of voters approved the issue, which funds improvements to all R-7 schools as well as construction of a new Summit Technology Academy / Missouri Innovation Campus. For more information about the bond issue, visit the district's [webpage](#).
